Editorial Manager[®] 2003 User Group Meeting Announced

North Andover, MA, USA – March 1, 2003. Aries Systems Corporation is pleased to announce the first Editorial Manager User Group meeting, to be held on Tuesday, May 27, 2003, the day before the start of the SSP (Society for Scholarly Publishing) Annual Meeting in Baltimore, Maryland.

The User Group Meeting will be held at the Hyatt Regency Baltimore, starting at 9:00 a.m. and ending at 5:00 p.m. Lunch and coffee breaks will be served.

The provisional topics to be covered include:

- Planned enhancements and new releases - looking at the future of EM
- Workarounds, tricks and shortcuts - a discussion
- Common problems encountered - finding solutions
- Reports - how to use Custom Reports, General Data Export and "Canned" reports
- Tips for training Editors, Reviewers and Authors - a discussion
- Open discussion, questions and feedback

The company welcomes suggestions for other topics. Attendance is restricted to EM users and potential users. In addition to learning about Editorial Manager, this is an excellent opportunity to network with colleagues and peers.

To avoid disappointment, eligible participants should reserve their no-charge seat as early as possible by sending an email confirmation to stashjian@edmgr.com.

About Aries Systems Corporation - Since 1986 Aries Systems has successfully delivered technology that enhances the scientific publishing process: *Knowledge Finder[®]* (<http://www.kfinder.com>), for online literature searching, *DocuRights[®]* (<http://www.docurights.com>), digital rights management for STM publishers, and *Editorial Manager[®]* (<http://www.edmgr.com>) for online manuscript submission and tracking.
